Children will be fully supervised during the excursion and while in the Change Rooms. Our staff ratio will be a minimum of one adult per six children. There will be qualified lifeguards at the pool provided by pool management and our staff with C.P.R. qualifications supervising our children. If the excursion is to an outdoor pool, children will only be allowed to swim if they have a T-Shirt, sunscreen and a hat to wear in the water. Please note that Rash Vests or tight fitting T-shirts are easier to swim in. If children do not have suitable sun protection they will not be allowed to swim and will remain in the shade.
